

# THE LIDO HOMEOWNERS ASSOCIATION

## IMPORTANT NOTICES

**Deck Project**-The Association has executed a contract with Ideate Design Build to resolve the structural issues with the decks at #2318 and #3411/#3211. Both projects will be completed simultaneously and require scaffolding to be erected in front of the garages. The project will begin on November 4th and continue into December. The call boxes to both garages will be inaccessible for vehicle traffic for the duration of the project. In order to use the call boxes you will need to park on the left side of the call box and walk around the vehicle to use the call box. We apologize for the inconvenience and appreciate your cooperation during this project.

**Proposed Rule Changes**-Pursuant to Civil Code 4360, the Board of Directors will be considering a proposed operating rule change at the Board of Directors meeting to be held at The Lido Clubhouse, on November 19, 2019, at 6:30PM. Details of the proposed rule changes were e-mailed to the membership, as well as posted in the mailroom bulletin boards. If you wish to make any written comments on these proposed operating rule changes, please submit them to the on-site office prior to November 19th. Alternatively, if you can attend the Board Meeting, your constructive comments will be considered by the Board of Directors prior to its making a decision on the proposed rule changes. Any and all comments made at the Board Meeting will be subject to the standing rules, related to member comments at Board meetings.
